VOL. XXXVI.

STANFORD, KY., FRIDAY, JULY 10, 1908.

NO. 37.

PREACHERSVILLE.

There will be services at the Baptist church Saturday, Saturday night and Sunday.

Mrs. N. J. Horton has been very sick of heart trouble but is now some better. Mrs. Joe M. Lunsford is much better.

W. F. Parks' grist mill is drawing custom from a long ways, even unto the gates of Crab Orchard. It is hard to keep a good thing down.

Our school started in a most satisfactory manner Tuesday morning with Miss Kate Waters, of Stanford, as teacher. Miss Lucy Massey will teach at the Hobbs school.

We have experienced a severe drouth, its equal not within the memory of our oldest inhabitant, for the month of June. A cloudburst and windstorm on Drake's Creek did lots of damage.

Menefee Elmore, our new merchant, has gotten his storeroom in shape and will soon stock up. Besides general merchandise he will sell ice, run a barber shop, laundry agency and will be one of our busiest business men.

Miss Margaret Brown, of Maretsburg, is the guest of Miss Fannie Thompson. Miss Ruth Durham, of Omaha, is visiting the family of her brother, Tom Durham. Mrs. James I. White and son, Hobart, of Stanford, visited at W. P. White's. Meadames Fred Shaw, Ben Holtzclaw and J. H. Thompson were guests of Mrs. Cress. Mr. John Anderson and daughter, Mrs. F. F. Cummins, and Miss Eliza Anderson, of Lancaster, visited David Anderson, Sr. James Cummins and wife were guests of his parents here. R. E. Mahan and sister, Miss Lucy, were guests of Rev. Thomas Owens.

MIDDLEBURG.

A crowded house witnessed the Children's Day exercises at the Christian church at Yosemite Sunday night. The manner in which the children acquitted themselves was highly creditable not only to them but to the teacher, Mrs. Laura Lee, who labored hard in preparing for the occasion.

Dr. J. M. Haney, James Winfrey and Thomas Wheeler attended court at Liberty Monday. Josh Swope, a prospective candidate for circuit clerk of Lincoln, and a jolly old fellow, was awarded the premium for being the handsomest bachelor at Jones' Park Saturday. Stanley McIntosh came over to the picnic Saturday and brought Miss Kate Florence with him. Misses Mollie Good, of Lexington, and Archie Coffey, of McKinney, visited Mrs. R. H. McAninch.

There was a pretty good sized crowd at Jones' Park Saturday and for the most part was on orderly one. The ball game between Hustonville and Middleburg created some excitement and was the occasion of a little "scrap." Middleburg won the game by the score of 6 to 2. Hatter pitched for Middleburg and made the visitors "live hard," striking out 20 men. In fact Hustonville only knocked five fair balls. The other contests created no end of amusement and for the most part were decided satisfactorily to the contestants. Mr. Jones tells us that he came out a little ahead.

Heat prostrates the nerves. In the summer one needs a tonic to off-set the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring the weakened nerves is surprising. Of course you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, lifeless, spiritless feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened kidneys and heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by Penny's Drug Store.

Two men who know more about the meaning of the word harmony than Webster, who wrote the big book, are J. C. W. Beckham and James B. McCreary. Whenever the delegates here see two men who from their manner might resemble Alphonso and Gaston, they just say "there go McCreary and Beckham, they are from Kentucky."—Denver Cor. Louisville Times.

"Health Coffee" is really the closest Coffee imitation ever yet produced. This clever Coffee Substitute was recently produced by Dr. Shoop of Raelne, Wis. Not a grain of real Coffee in it either. Dr. Shoop's Health Coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert—who might drink it for Coffee. No. 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by Penny's Drug Store.

R. H. BRONAUGH.

Secretary of the Crab Orchard Fair & Racing Association, which holds its 1908 meeting beginning Wednesday next, July 15. The success of the Crab Orchard Fair is due no little to the hard work of its efficient secretary. He is not only a good fair official but an exceedingly clever and accommodating gentleman.

CRAB ORCHARD.

Everything brought extra good prices at Dr. Doores' sale Saturday.

We are thankful for the showers. Farmers are almost through stacking wheat and some are having it threshed. Hay is only half a crop. Hogs are still dying with cholera in this vicinity.

Mr. Stephen Owsley, of Moreland, is the guest of his relative, Mrs. David Street. Vic Edwards is visiting friends at Stroud, Okla. Miss Myrtle Estes, who has been in the employ of J. B. Bacon & Sons, Louisville, is at home for a short stay. Mrs. Egbert and Miss Anna Hutchinson have been quite sick. Little Birdie McClure is about well of rheumatism. Mrs. Louisa Spratt, of Indianapolis, is with friends here. Mrs. Rebecca Moreland gave an elegant dining this week to a few friends and relatives.

Miss Dora Curtis has returned to Covington after a visit to the family of Henry Newland and others. Misses Bell Pennington and Katherine Middleton were guests of Miss Bertha Lucas in the country. Mrs. Ellen Holmes and Miss Anna Middleton visited Mrs. Will Holdam, who is quite ill. Prof. Sewell, of London, was here recently. Miss Beatrice Bastin is visiting her sister, Mrs. Stigall, at Harriman, Tenn. Mr. Thomas Hill Buchanan, formerly of this place, but now a resident of Louisville, was selected to sing in the choir at the great Sunday School Convention recently held in the Falls City. There were 400 singers under the management of the noted E. O. Excell. The convention was held in the armory, which has the largest seating capacity of any building in the South.

Mary Soho, a sweetheart of John Dobson, of Harmony, Pa., from whom he had parted, had him arrested as a bank robber, but in court the girl admitted the charge was trumped up to prevent the man from leaving. A wedding will shortly take place.

Pain will depart in exactly 20 minutes if one of Dr. Shoop's Pink Pain Tablets is taken. Pain anywhere. Remember! Pain always means congestion, blood pressure—nothing else. Headache is blood pressure; toothache is blood pressure on the sensitive nerve. Dr. Shoop's Headache Tablets—also called Pink Pain Tablets—quickly and safely coax this blood pressure away from the pain centers. Painful periods with women get instant relief. 20 Tablets 25c. Sold by Penny's Drug Store.

Williamsburg has decided in favor of a graded school by a vote of 201 to 70.

Who in thunder cares whether Caleb Powers, the whitewashed murderer of Gov. Goebel will or will not persuade some imbecile girl up in Pennsylvania to marry him? If she will keep him up there so we may never see his hated face again, much may be forgiven.—Bowling Green Messenger.

A musical bed is the latest for the cure of insomnia. A French inventor has patented one. The sleepless and tired man goes to bed, and with his foot releases a spring which sets a music box in motion. The apparatus begins to grind out lullabies and melodies, and in a short time the patient is snoring peacefully.
